## International and External Affairs Office

### *The UPHSL Bankstreet Child Learning Center Annual Trick-or-Treat Activity* *International and External Affairs Office, UPHSL* *October 20, 2023*

For this year's Halloween celebration, the UPHSL Bankstreet Child Learning Center once again held their annual Trick-or-Treat activity. We welcomed kids accompanied by their teachers into our office for a moment of candy with all treats and no tricks.

Dr. Josefa G. Carrillo, the Director for International and External Affairs gave out treats to the little visitors. This Trick-or-Treat activity definitely brought the kids so much happiness and fun while getting their daily dose of sweets.
