THE COMMUNITY OUTREACH DEPARTMENT ANNUAL REPORT

Pamaskong *Handog*

As we celebrate the joy and meaning of the Christmas season, we offer our Pamaskong Handog — a sincere expression of gratitude, compassion, and unity. Through this simple yet heartfelt gesture, we aim to share blessings, bring smiles, and uplift the spirit of togetherness within our community.

The Pamaskong Handog celebration at Pedro H. Escueta Memorial School became a beacon of hope and happiness as the holiday season drew near. The event was a heartwarming collaboration between Nightingale's Promise of Care and the UPHDJGTMU Alumni Association Inc., united by a shared mission—to spread love and uplift the community. From the laughter of children opening gifts to the smiles exchanged during shared meals, every momentoverflowed with kindness and generosity. Volunteers and alumni came together, not just to distribute presents, but to create lasting memories.

This celebration wasn't just about giving—it was about connecting hearts and uplifting spirits. It was about ensuring every child and family felt seen, valued, and genuinely cherished. The smiles we witnessed, the stories we heard, and the joy we shared reminded us of the deep impact of even the simplest acts of kindness.

As we look back on this meaningful day, we carry with us a renewed sense of purpose—to serve with empathy, to reach out with open hands, and to continue building bridges of care within our communities. Pamaskong Handog was more than a gift; it was a moment of shared hope and humanity.
