UPHSL, Biñan |May 8, 2023

The University of Perpetual Help System Laguna (UPHSL) recently hosted a special campus tour for its new Chinese students, organized by the Office of International and External Affairs.

Held at the Biñan campus, the tour introduced students to key university facilities, academic departments, and student support services. The interactive event also featured engaging sessions with faculty members and student leaders, designed to help the newcomers feel more at home in their new environment.

Dr. Josefa G. Carrillo, Director of International and External Affairs, highlighted the significance of the event in building a welcoming atmosphere for international students. “We are proud to welcome you to UPHSL, where your presence strengthens our international identity,” she said.

Through initiatives like this, UPHSL continues to demonstrate its dedication to creating a globally inclusive campus and supporting students from diverse backgrounds. The campus tour concluded with warm messages of encouragement and a heartfelt welcome to the Perpetualite community.
