STUDENT VISA PROCESSING FOR THE INTERNATIONAL STUDENTS OF THE UNIVERSITY OF PERPETUAL HELP SYSTEM LAGUNA (UPHSL)

Bureau of Immigration, Foreign Student Desk, Quezon City

The University of Perpetual Help System Laguna (UPHSL), through its Office of International and External Affairs, recently extended full assistance to its foreign students in processing their student visas at the Bureau of Immigration.

Committed to supporting the academic journey and legal compliance of its international students, UPHSL coordinated and accompanied the group to the Bureau of Immigration to ensure a smooth and efficient application process. The initiative covered key steps such as document preparation, submission, and compliance with immigration requirements, helping students feel guided and secure throughout the process.

Dr. Josefa G. Carrillo, Director of International and External Affairs, emphasized the university's dedication to providing comprehensive support to its global student community. “Beyond academics, we are here to support our international students in all aspects of their transition and stay in the Philippines,” she noted.

This effort reflects UPHSL's ongoing commitment to creating a welcoming and supportive environment for international students, ensuring their legal status and well-being are prioritized as they pursue their education in the country.
