Perpetualites Shine in Earthquake Drill: *"Demonstrating Readiness and Commitment to Safety"* Oval Field, UPHSL September 7, 2023

Today's earthquake drill received a positive remark as Perpetualites demonstrated their readiness and composure in the face of unexpected situations. While the surprise element was added, our students and staff seamlessly executed the 'duck, cover, and hold' procedure, reaffirming our pledge to safety and preparedness. This drill serves as a reminder that, through our vigilant reminders for any unforeseen event, we can confidently face any future circumstances together. Well done, Perpetualites!
