BINHI NG KAALAMAN

A BOOK DONATION DRIVE 2024

In a vibrant celebration of learning and compassion, the Community Outreach Department of the University of Perpetual Help System Laguna, together with the Perpetualite Nation Builders (PNB), launched Binhi ng Kaalaman: A Book Donation Drive 2024—a heartfelt initiative rooted in the belief that knowledge, when shared, transforms lives.

Held from October 21 to November 15, 2024, during the much-anticipated University Week Celebration, this donation drive became a living testimony to the Perpetualite spirit of generosity and social responsibility. Students from various departments came together with a single goal: to plant the seeds of learning by donating books that will ignite curiosity, nurture dreams, and empower future readers from underserved communities.

More than just an act of giving, Binhi ng Kaalaman symbolized a collective movement toward building an educated and compassionate nation. Every page donated carried with it the hope of a brighter tomorrow and the silent message: You are seen, you are valued, and your dreams matter.

Through the selfless contributions of student-volunteers, donors, and faculty supporters, hundreds of books were collected—each one destined to touch lives beyond the campus walls. This initiative not only fostered a culture of literacy and lifelong learning but also highlighted the powerful impact of unity and service when guided by faith and purpose.
