Hands of Hope: We Give,
We Thrive, Donation Drive!

“In the face of
nature’s fiercest
trials, it is
compassion that
lights the way
forward.”

Captured at Brgy. Dela Paz, City of Biñan, Laguna

True to the call of servant leadership, the University of Perpetual Help System Laguna (UPHSL), through its Community Outreach Department (COD) and the student-volunteer group Perpetualite Nation Builders (PNB), launched yet another impactful mission titled “Perpetualite Hands of Hope: We Give, We Thrive Donation Drive.” This initiative served as a timely and heartfelt response to the devastating effects of Typhoon KristinePH, which left many Filipino families in urgent need of support.

Guided by the values of faith, compassion, and action, the campaign was a call to all Perpetualites—Helpers of God—to unite in love and generosity. From October 24 to November 6, 2024, relief goods and essentials poured in from students, faculty, departments, and even alumni, turning the walls of the Community Outreach Department into a hub of hope.

What followed was a meaningful wave of outreach efforts. The first mission brought warmth to the residents of Almeda Subdivision, Brgy. Dela Paz, Biñan, Laguna, followed by a second wave of relief distribution on November 26, 2024, in Mercedes Homes, Brgy. Sto. Niño—communities that bore the brunt of the typhoon’s wrath. But they did not stand alone. In every bag handed out was not just food or hygiene supplies, but a message: You are not forgotten. You are loved.

This was more than a donation drive. It was a movement of mercy, a reflection of UPHSL's enduring commitment to be a beacon of light in dark times. The "Perpetualite Hands of Hope" campaign reaffirmed what it means to be a part of this academic community: To serve with heart, lead with purpose, and uplift others—one act of kindness at a time.

As long as there are needs to be met, the Community Outreach Department will continue to build bridges of compassion. And as long as there are Perpetualites, there will always be hope.

PERPETUALITES EMBODIES THE ESSENCE OF A TRUE HELPERS OF GOD

In partnership with the Barangay Council of Sto. Niño, led by Punong Barangay Hon. Wilfredo Dennis M. Hernandez and Councilor Hon. Haide Estipular, the Perpetualite community embodied true bayanihan—showing that through unity, we can turn adversity into an opportunity for shared healing. Each act of giving was a thread in a larger tapestry of hope, stitched together by students and staff who understand that leadership is more than title—it's service. Volunteers offered their time, sweat, and strength. Smiles bloomed in the faces of children who, despite losing much, found joy again in simple gestures.
