

Iluminacion: Pagkamulat sa Paglilingkod

August 22 - September 24, 2024

PERPETUALISTA
THE COMMUNITY OUTREACH DEPARTMENT ANNUAL REPORT

ILUMINACION: PAGKAMULAT SA PAGLILINGKOD

ILLUMINACION 3.0: ENLIGHTENING THE PATH OF FAITH AND SERVICE

The program, *Iluminacion: Pagkamulat sa paglilingkod 3.0*, was held at the University Chapel of the University of Perpetual Help System Laguna on September 24, 2024, from 12:00 to 3:00 PM. The participants consisted of Senior High school aspirants of the Servers of God Ministry, past members, executives, and the adviser of the same ministry, as well as selected Faculty members. This program was commenced as a part of the membership process of the Ministry, forming their spiritual identity, faith, and relationship with God through this program, as they become bona fide members. Announcements were made weeks prior to the event in order to inform members of its significance and importance.

This activity was spearheaded by the Servers of God Ministry, managed by Mr. Mark Braian B. Tandoc, with Leandro Valeriano as his co-manager. This event was sectioned into parts, depending on the speaker. Speaking words of encouragement and wisdom, Mr. Mark. Braian B. Tandoc, the adviser of the Servers of God Ministry, started the program with an opening speech. This was followed by Leandro A. Valeriano, the president of the Servers of God Ministry, as he delivered his presidential speech. The first part of the program was led by the first speaker, Dr. Angelito B. Anggulo, as he delivered an informative message about the in-depth details of the parts of a Holy Mass, as well as the proper way of serving during masses. Subsequently, the next part was led by Dr. Jose Romano O. Jalop, who delivered an inspirational story of how he has become a servant of God. The program was followed by a closing message by Mr. Mark Braian B. Tandoc; and was concluded through a closing statement by Leandro A. Valeriano, encouraging and inspiring the participants in their continuous service unto the Lord.

This event helped the participants in building their relationship with God, developing their spiritual identity, and persuaded the participants to be service-oriented individuals, fulfilling the mission of the university in producing students who are inclined to serve others. Moreover, this event became a huge success, inculcating values and virtues to Perpetualites, building them to become Christ-centered Nation Builders.

Iluminacion: Pagkamulat sa Paglilingkod 3.0 served not only as a requirement for membership but also as a meaningful journey toward spiritual growth, deeper faith, and stronger commitment to God. Through heartfelt speeches, reflections, and teachings, participants were equipped with the knowledge and inspiration needed to become true servants of the Church and community. The program successfully strengthened the foundation of the Servers of God Ministry, uniting both new and former members in a shared purpose of faith and service. As these young Perpetualites continue their path, they now carry with them the light of Christ—ready to serve, lead, and live by the values of the University as future Christ-centered Nation Builders.
